## MILESTONES

**Richard Cohen Landscape & Construction Inc.** in Lake Forest won a best-of-show award from the **California Landscape Contractors Association**, a statewide trade group of landscape contractors and suppliers. Two landscape professionals inspected more than 120 entries for the organization's Trophy Awards, judging them on artistic and technical merit. Richard Cohen won the top prize, the Stuart J. Sperber Memorial Sweepstakes award, for work done on the Asner home in the Crystal Cove community in Newport Beach.

The award was one of 10 taken home by members of the Orange County chapter of the association. **Marina Landscape Inc.** in Anaheim won seven honors, including the John Redmond Memorial award, which recognizes the best entry from nine maintenance categories. The trophy was given to Marina for its maintenance of the Anaheim Resort area near Disneyland.
